

**NEW VENUE & DATE!**

# **WPM 2009**

**WESTERN PROTOTYPE MODELERS**

**SAN BERNARDINO STATION**

**SATURDAY SEPTEMBER 19, 2009**

***The west coast's largest gathering for railroad prototype modelers, now in its 20th year!***

Visit WPM and see hundreds of locomotive, freight and passenger car, caboose, MOW, structure, and vehicle prototype models on display while countless 1:1 scale BNSF and UP trains roll-by just feet from the depot. Clinics and seminars will be offered throughout the day and operating HO & N Scale "Free-mo" modular layout exhibits are planned. Visit the San Bernardino Historical and Railroad Museum located in the west-end of the depot. Tons of raffle prizes donated by generous hobby retailers, publishers & model manufacturers will be up for grabs. Bring your modeling projects, finished, or "in the works". Share ideas and techniques with fellow modelers and meet new friends!

**WPM welcomes modelers of all roads, all scales and eras!**

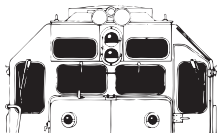

**9:00 AM to 5:00 PM**

**San Bernardino Santa Fe Depot  
1170 West Third Street.  
San Bernardino, CA 92403**

**WPM Meet admission: \$20.00, or \$15.00 if you bring a model(s) to display.**

San Bernardino depot is served by both Amtrak and Metrolink. Links to schedules are posted on our web site.

**WPM**  
WESTERN PROTOTYPE MODELERS

Exhibitors: Manufacturers, photographers and publishers will participate in WPM. (Exhibitors: pre-registration is required, contact WPM at the phone number below.)
